In re Application of	:	<b>OFFICE OF PETITIONS</b>
Dunkle	:	
Application No. 10/617,901	:	<b>ON PETITION</b>
Filed: July 10, 2003	:	
Attorney Docket No. AM 7134	:	

This is a decision on the petition, filed December 15, 2005, under 37 CFR 1.137(f), which is being treated as a petition under 37 CFR 1.137(b) to revive the instant nonprovisional application.

The petition under 37 CFR 1.137(b) is **GRANTED**.

Petitioner filed a nonpublication request on July 10, 2003. In the instant petition, petitioner states that the above-identified nonprovisional application is the subject of an application filed on February 5, 2004 in a foreign country, or under a multilateral international agreement that requires publication of applications 18 months after filing. However, the U.S. Patent and Trademark Office was unintentionally not notified of this filing within 45 days subsequent to the filing of the subject application.

In view of the above, this application became abandoned pursuant to 35 U.S.C. §122(b)(2)(B)(iii) and 37 CFR 1.213(c) for failure to timely notify the Office of the filing of an application in a foreign country, or under a multilateral international agreement that requires publication of applications 18 months after filing.

A petition under 37 CFR 1.137(b) to revive for failure to timely notify the Office of the filing of an application in a foreign country must be accompanied by:

- (1) the required reply, which is met by the notification of such filing in a foreign country or under a multinational treaty;
- (2) the petition fee as set forth in 37 CFR 1.17(m); and

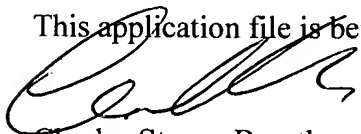

(3) a statement that the entire delay in filing the required reply from the due date of the reply until the filing of a grantable petition was unintentional.

The instant petition has been found to be in compliance with 37 CFR 1.137(b). Accordingly, the failure to timely notify the Office of a foreign or international filing within 45 days after the date of filing of such foreign or international application as provided by 35 U.S.C. § 122(b)(2)(B)(iii) and 37 CFR 1.213(c) is accepted as having been unintentionally delayed.

The previous Request and Certification under 35 U.S.C. § 122(b)(2)(B)(i) has been rescinded. A Communication Regarding Rescission of Nonpublication Request and/or Notice of Foreign Filing which sets forth the projected publication date of July 27, 2006 accompanies this decision on petition.

Any inquiries concerning this decision may be directed to the undersigned at (571) 272-3203.

This application file is being returned to Technology Center Art Unit 2166.
